## Rules and Regulations

### Categories and Eligibility:

- **Cities, Landscapes, and Skylines** – Photos of fascinating places, new things you discovered, and scenic views of city, sky, and nature! Show us the places you explored, from cathedrals to beaches to scenic overlooks, and the sunsets you never want to forget.
- **People and Stories** – Photos of the people you encountered and befriended abroad. Whether it's a portrait of your host mom and her pet, a colorful photo of a village festival, or a shot of you and your classmates doing a group project in the city streets, tell us the human story of your host country in images. Both photos that you took of others and photos that you are in are accepted.
- **Animals Abroad** – Photos of furry friends and wild encounters. People may be in the photo as well as long as an animal is pictured.
- **Most Epic Self-Portrait** – We know you documented the incredible things you did abroad as well as the people you spent your time with. This is your story. Show us you in the middle of it!
- **Welcome to the USA!** – Photos taken by international students studying at TU are encouraged to submit! What have you discovered? What have been your adventures? Use your imagination and share what you have seen or experienced here in the US! *This category is for international students studying at the University of Tulsa only.*
