Exchanges 101

CENTER FOR GLOBAL ENGAGEMENT
What is an Exchange?

Exchange programs are partnerships between TU and foreign universities in which the partner university sends their students to TU and TU sends TU students to the partner university.
Benefits of Participating in an Exchange Program

University Life

Exchange programs put students directly into a partner university and access to university amenities.

Scholarship

All students who participate in Exchange programs are granted a $1,500 ambassador scholarship.

Engage with Locals

On Exchange programs students take courses with local students and live amongst local students.
