3. Research programs at global.utulsa.edu to find your best option - if you want, meet with Morgan Hopson, CGE Advisor
4. Complete the CGE Study Abroad Application and the Host program application
5. Go Abroad!
NEW PLACES NEW EXPERIENCES

In order to make Study Abroad accessible for as many students as possible the CGE has many partners in a variety of locations with course offerings for every major while also making sure programs are as affordable as possible for students.

A complete program list can be found at global.utulsa.edu.

We are especially proud of our Direct Enroll programs which will work for 90% of TU students and provide an easily accessible option course-wise.
